### 1. Cost Effective

Up to **95% funding** can be received from Skills Future Singapore

### 2. Japanese Business Values

**Only Japanese Training provider** that conducts WSQ Courses.

### 3. 2 days of Intensive Training

Program centered around **applicability** and **practice**

### 4. Professional Singaporean Trainers

Lesson conducted in **English**. Ability to understand **local context**

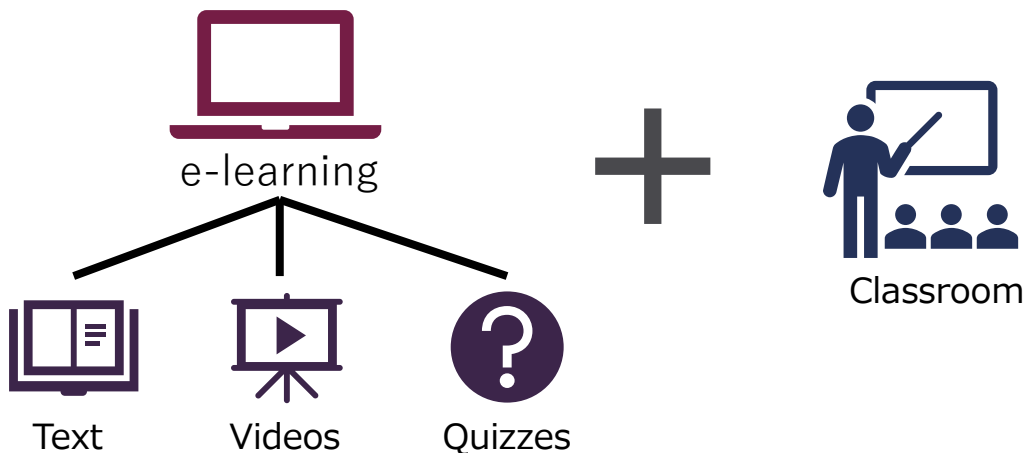

### 5. Blended learning

**New**

Allows **multi-dimensional learning**, **flexibility** and **self-paced** learning

## Blended Learning

“**Personal Effectiveness at Managerial Level**” and “**People Change Management at Managerial Level**” training courses incorporates **blended learning** which combines individual learning (online-learning) and collective learning (classroom learning).

### Recommended to the following people:

- Unable to get away from work for 2-day trainings
- Wants to learn at their own pace and time

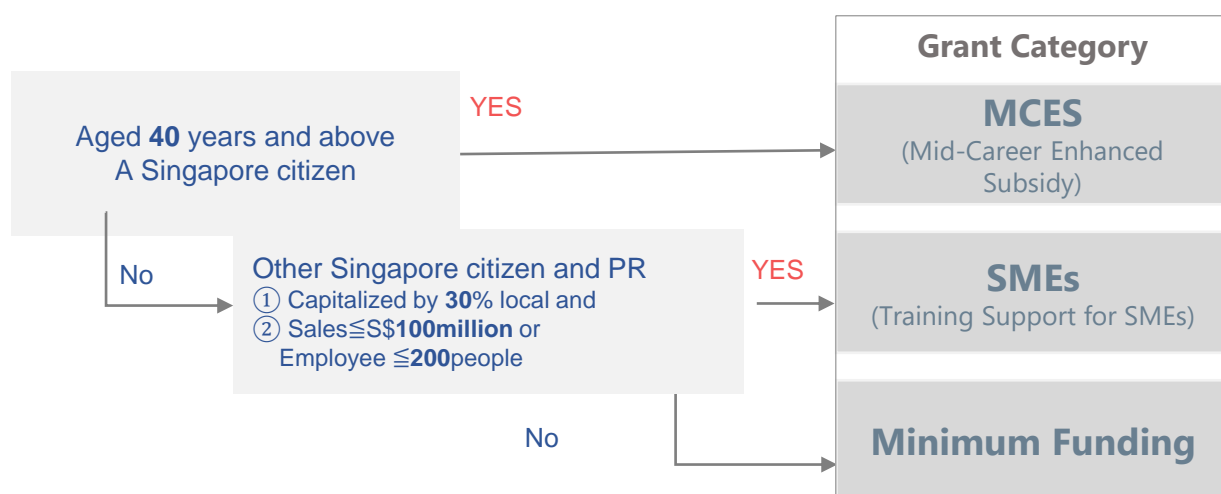

\* The total e-learning hours required is 7 hours, however it does have to be completed in one sitting.

\* E-learning assessment has to be submitted at least 3 days before classroom training

Participants who has completed the WSQ (Workforce Skills Qualifications) training course under the various WSQ Frameworks (Business Management, Leadership and People Management, etc.) will be issued a Statement of Attainment (e-cert) from SkillsFuture Singapore.

Participants can also attain an advanced certificate or diploma if they complete a certain number of core units within the respective framework.

## Fundings

\*Only Singaporeans and Permanent Residents are eligible for WSQ grants
